

Paper Snowflakes!

Share this fun craft activity with the young (or young-at-heart!) people in your life, and display it in a window or on your fridge, and share on social media. We hope that every time you see it, you're reminded of the tremendous impact you're having on the lives of vulnerable children around the world.

Instructions: Cut out the square. Keeping the pattern facing you at every step, fold along the dotted line to form a triangle. Fold in half again along the solid line, to make a smaller triangle. Using the lines as a guide, fold the left section towards the back, then fold the right section back. Cut away the grey area on the pattern. Unfold and reveal your snowflake!

Share your snowflakes with us on Facebook ([savethechildren.ca](https://www.savethechildren.ca)) & Instagram ([@savethechildrencanada](https://www.instagram.com/savethechildrencanada))

Have Fun!
